INFORMATION DISCLOSURE STATEMENT

Please consider the references listed on the enclosed PTO-1449 form. Foreign patent documents and non-patent literature are enclosed; cited U.S. patents and patent application publications will be provided on request.

We also note the following text excerpted from (separate) correspondence from our foreign colleagues directing prosecution of this application:

We also note your reminder on the duty to disclose any information that may be material to the examination of this US application, and that this information includes non-US examination reports. We are able to provide you with the Office Actions issued for our client's Australia, New Zealand and Singapore applications, while the file wrapper for the Europe application may easily be obtained at your end via the Epoline website. Examination was not requested in either the Canada or Hong Kong applications. Please let us know what other information we would need to disclose, and also the estimated costs (if any) for providing the US Examiner with the information.

For your information, no response was required to be filed for the SG application as the examination report was favourable. Further, the response for the AU application is not due yet, and so has not yet been prepared.

We also note that the following URL was cited in the Australian provisional application (cited herein) to which this application claims ultimate priority:

<http://www.fokus.gmd.de/mobis/siptutorial/>. According to our foreign colleagues:

Regarding item 8 ("Understanding SIP" <http://www.fokus.gmd.de/mobis/siptutorial/>), please note that this URL is no longer active. However, we have located an article also titled "Understanding SIP" (see *attached) which may be a suitable equivalent.

We have tried to access this URL and were also unsuccessful. We were also unable to go beyond a login page at www.archive.org. The article mentioned in the excerpt above is being cited herein.
